Giant James Bond Silhouettes, uplighters and authentic movie film posters will accentuate the overall theme. Each table will be dressed with a Theme table centre and black tablecloth.

During Dinner, Guests will be tasked with a "Know Your Bond", a specially devised James Bond movie theme quiz. The winning team will earn extra money for the next phase of the event.

Bond movie theme music will play throughout dinner.

Following dinner, guests will be invited to return to the School for Spies area to find it has been replaced with their very own "Casino Royale"

No one adds more to a Bond night like "Shirley!"
